Welcome to this concert by Waimea College Senior Music students.

Students in Year 11, 12 and 13 Music classes are required to present at least one performance as a “featured soloist” and this must be in front of a live audience. They must also present a group performance which some students have chosen to include in tonight’s performance.

As last year, we have moved our performances out of the class room and away from the college altogether. As the students themselves have said after past performances, they produce their best work when it’s a “real performance”. So, we gave them a choice of venues suited to the style of music they planned to present: *The Playhouse Cafe* for rock, jazz and generally amplified styles, and the *Nelson School of Music* (NSOM) for classical, folk and more acoustic styles.

*The Playhouse* is an ideal venue for tonight’s event—lights, sound system, a proper stage and a relaxed atmosphere for parents and supporters. We are very thankful to *The Playhouse* for accommodating us and making this event possible. We also thank you for coming tonight—by being here you are helping the students to step up and present their very best!

On Friday night we will hold our fourth and final concert in this series - Solitary Serenades at the *Nelson School of Music*. With its renowned acoustic and air of dignity, the NSOM will be the perfect setting for the remainder of our students’ performances.

Tonight’s programme is a mix of performances from Year 11, 12 and 13 Music students. Students are encouraged to stay and support their fellow performers from all year levels. This also gives younger students some idea of what to expect in the years to come in their music studies.

Thanks again and enjoy the show!
